The membership considers the needs of college-bound students, healthcare and human service agencies, and education among its priorities.

Over the years scholarship support has been provided to hundreds of New Haven area students and a variety of organizations including, but not limited to:

Since it's founding the Amity Charitable Trust has awarded **more than \$1,500,000** to Amity Scholars and community-based human service agencies.

Your contribution and participation in our golf tournament will insure Amity's ability to continue its support of these and other important needs in our community.
